

Age Concern Menorca

We would like to express our condolences to our former President, Roger Goddard, on the recent death of his wife, Denise. Roger and Denise dedicated a great deal of their time to the work of Age Concern Menorca for many years. Denise held a number of important roles but many of you will remember her best for her work with our medical and mobility equipment loan service.

Website

Our new website: www.ageconcernmenorca.com has now been live for more than a month. We have had quite a lot of positive feedback so far. If you haven't had a look yet, please do so. You can use the email link to tell us what you think. Thank you.

The Shop

Business has been good so our thanks to everyone who has brought donations or purchased our goods. Our **new Christmas stock** is due in very soon and we hope to have it for sale by early November. We will have, for example, new cards (individual and boxes), different types of crackers, diaries and calendars. Do come along and have a look!

Social activities.

We are not currently running any social events (lunches, drop-ins or trips).

We hope to resume these as soon as possible but, at the time of writing, things are still too uncertain to make a decision. It would be wonderful if we could host a Christmas Lunch.

Christmas Fair

We are currently working with the Red Cross to determine whether we run the usual Christmas Fair in Bar Pons this year. We are keeping our eye on the coronavirus situation and the ever-changing regulations and hope to make a decision during the next few weeks. As you may know, Margaret Rourke has done a brilliant job organising this event for many years but has now stepped back, though, we are very pleased to say, she has offered to help us if, as we hope, it goes ahead. I'm sure you're all looking forward to our 'world famous' tombola!
